Rule 1 – Title, Purpose, Exemptions, and Administration

1.01 Title and Purpose

These Rules shall be known as the "Paradise Recreation and Park District Personnel Rules". The Rules are adopted in order to provide a consistent, equitable, and efficient program of personnel administration for district employees and job applicants. These Rules are not intended to be an employment contract.

These Rules contain a general outline of the Paradise Recreation and Park District's policies and procedures and its contents do not give rise to any enforceable contractual rights relating to continuing employment or receipt of benefits between the Paradise Recreation and Park District and its employees. Employment at the Paradise Recreation and Park District does not mean you are guaranteed a job for a specific period of time or until you retire. Likewise, you do not commit yourself to Paradise Recreation and Park District for any specific length of time. You and Paradise Recreation and Park District reserve the right to discontinue your employment with the District at any time, for any reason, and without notice or cause. This flexibility lets you adapt to changing personal circumstances or other employment opportunities, and it allows the District to effectively administer its human resource policies.

The purpose of these Rules is to provide a consistent, equitable and efficient program of personnel administration by:

1. Setting guidelines for maintaining permanent personnel records.
2. Assuring equal employment opportunity.
3. Establishing classification of employees, salary plan, and benefits.
4. Promoting communication and knowledge of District personnel procedures.

5. Developing procedures for recruitment, appointment, training, evaluation, promotion and termination.
6. Protecting employees from discrimination, unlawful termination, and harassment.
7. Helping develop and administer a better employer-employee relationship
8. Fostering good employer-employee relations and promoting safety in the workplace.

1.02 Exemptions

These Rules apply to all employees, except:

1. Employees covered by a memorandum of understanding shall be exempt from any of these Rules that are inconsistent with the terms of such memorandum.
2. Employees covered by an individual contract of employment for a specific term shall be exempt from any of these Rules that are inconsistent with the terms of such contract.

1.03 Administration

The Board of Directors shall be responsible for establishing such policies and procedures as are necessary for administration of these Rules. The Board of Directors shall appoint the District Manager to be responsible for the administration and maintenance of the Personnel Rules, the Centralized Personnel File System, the Classification Plan, and the Salary Plan.

1.04 Staff Manuals

With the approval of District Manager, Paradise Recreation and Park District's supervisors may establish staff manuals as long as they are not inconsistent with these Rules, or other policies.

1.05 Amendment of Rules

These Rules contain the employment policies and practices in effect at the time of publication.

Paradise Recreation and Park District reserves the right to revise, modify, delete, or add to any and all policies, procedures, work rules, or benefits stated in these personnel rules or in any other document, except for the policy of at-will employment. However, any such changes must be in writing and must be approved by the Paradise Recreation and Park District Board of Directors.

Any written changes to these Rules will be distributed to all employees so that employees will be aware of the new policies or procedures. No oral statements or representations can in any way alter the provisions of these Rules.

Nothing in these Rules or in any other personnel document, including benefit plan descriptions, creates or is intended to create a promise or representation of continued employment for any employee.

1.06 Severability

If any rule, section, or phrase of these Rules is declared unconstitutional or void for any reason, such decision shall not affect the validity of the remaining portion of these Rules.

1.07 Construction

Exempt employees are required to be on duty at the employer's premises or at a prescribed work place to complete supervisory and administrative duties and to assist the public and staff as shown in the Essential Duties of their job descriptions. Exempt employees are not entitled to premium pay for overtime hours worked. Exempt employees are paid full salary for any week in which they perform work, without regard to hours or number of days worked. Exempt employees are expected to work such hours per week as necessary to satisfactorily perform the duties of their jobs, and to be generally available during business the regular hours of their departments within the District. Exempt employees are required to notify the District in writing of time off taken for any purpose, with prior approval, including but not limited to, vacation, sick leave, administrative leave, bereavement leave, medical leave, or leave taken for any other purpose. Non-exempt employees are those who do not fall within one of the exemptions from overtime pay specified by law. Non-exempt employees are entitled to be paid for each hour worked including premium pay for all overtime hours worked in accordance with federal law as described in Rule 7 of these Personnel Rules.

5.03 Introductory Employee:

A full-time or part-time employee who is hired for an on-going (rather than temporary) assignment and who is in the first six (6) months of his/her employment.

The first six (6) months of continuous employment at the District is considered an introductory period. During the introductory period employees will learn their responsibilities, get acquainted with fellow employees, and determine whether they are content with their jobs. Completion of the introductory period does not entitle the employee to remain employed by the District for any definite period of time, but rather allows both the employee and the District to evaluate whether or not the employee is right for the position. Notwithstanding the foregoing, the introductory period does not change an employee's at-will status.

Any significant absence will automatically extend an introductory period by the length of the absence. If the District determines that the designated introductory period does not allow sufficient time to thoroughly evaluate the employee's performance, the introductory period may be extended.

5.04 Regular Full-Time Employee:

An employee who has completed the introductory period and regularly works at least forty (40) hours per week on a continuing basis. Regular full-time employees are eligible for District sponsored benefits and paid leave in certain circumstances as set forth in these Personnel

5.05 Regular Part-Time Employee:

An employee who has completed the introductory period and works fewer than one thousand six hundred (1,600) hours per year. Regular part-time employees are not eligible for District sponsored benefits or paid leave, but are eligible for state-mandated benefits and unpaid leave. Any part-time employee may not work over nine hundred and ninety nine (999) hours per year without written approval from the District Manager.

5.06 Part-Time Benefitted Employee:

A Part-time Benefitted position, if established in the annual budget, will be scheduled to work a minimum of 32 hours per week and not exceed 1,800 hours per fiscal year. The position will include certain District sponsored benefits or paid leaves as presented in the job description.

5.07 Temporary Employee:

An employee who works full-time or part-time for a pre-defined period of time as established in the job offer. The employee may work on an intermittent schedule dependent upon the staffing needs of the unit. Normally, a temporary assignment will not last beyond six months, but may be extended as needed. Extension of a temporary assignment does not affect a temporary employee's status or classification. Temporary employees are not eligible for District sponsored benefits or paid leave.

5.08 Contractors:

Independent contractors are individuals/businesses retained to provide services to the District on a contract basis. Since they are not employees, they are not eligible for any district

sponsored benefits or paid leave.

Seasonal employees are full-time or part-time employees who are employed for seasonal work. They are notified at the time of hire that the employment is seasonal and temporary. Seasonal employees are not eligible for District sponsored benefits or paid leave.

No full-time position can be hired at a salary range above step one unless approved by the District Manager.

Annual Salary Adjustments: Annual salary adjustments for full-time employees shall be determined by the employee's annual performance evaluation. An employee who receives an evaluation of "satisfactory or above" shall be entitled to the next step in his or her salary range until step five has been attained. The anniversary date shall become the effective date of the promotional appointment.

6.06 Salary Step on Demotion:

Upon demotion to a position in a lower salary range, the salary step and anniversary date of the employee shall not change.

6.07 Salary on Transfer:

When an employee is transferred either voluntarily or not, nor within the department or not, and there is no change in salary range, the employee’s salary step and anniversary date shall not change.

In the event of termination, the total remaining balance owed will be immediately due and payable.

Rule 7 - Overtime

7.01 Non-Exempt Employees – Overtime

As necessary, non-exempt employees may be required to work overtime. For purposes of determining which hours constitute overtime, only actual hours worked in a given workday or workweek will be counted. The District provides compensation for all overtime hours worked by non-exempt employees in accordance with the Fair Labor Standards Act as follows:

- All hours worked in excess of forty (40) hours in one workweek will be treated as overtime and shall be paid at a rate of one and one-half times the employee's regular rate of pay.

Hours worked means time actually spent on the job. It does not include hours away from work due to vacation, sickness, holidays, or leaves of absence even when those days are compensated. Weekend work does not automatically qualify for compensation at an overtime rate of pay. Hours worked on Saturdays and Sundays qualify for overtime pay only if they qualify as overtime hours under the standards noted above.

Employees must accurately report all actual time worked, including overtime, on time cards. Overtime must be approved in writing in advance by the employee's immediate supervisor unless the overtime is considered an immediate necessity.

In lieu of overtime pay, regular full-time employees, who qualify for such under

California law, may opt for compensatory time off (CTO) in lieu of compensation for hours worked in excess of forty (40) hours a week in accordance with the Fair Labor Standards Act. CTO will be granted at time and one-half for all hours worked in excess of forty (40) hours per week. CTO may be limited, preserved, used or cashed out consistent with the provisions of this policy and applicable laws and regulations. No employee may accrue more than forty-five (45) hours of CTO (the 45-hour limit represents not more than thirty (30) hours of actual overtime worked). Any employee who accrues the maximum 45 hours of CTO shall thereafter be paid overtime at a rate of one and one-half hours for each hour worked in excess of 40 hours in each subsequent workweek until such time as the employee has used or been cashed out of some of his or her accrued CTO and is eligible to accrue additional CTO.

All CTO must be scheduled at a time which does not unduly disrupt the operations of the District and approved by the District Manager or immediate Supervisor. In the case of special circumstances, with the express written consent of the District Manager, accrued CTO as of December 31 of any year may be carried forward into the immediately following year and used then so long as it is used by January 31 of the new year.

The District reserves the right to cash out any accrued CTO at any time (i.e., pay the employee the cash equivalent of the accrued CTO), at its sole discretion.

7.02 Exempt Employees – Overtime

Exempt employees are paid a fixed salary that is intended to cover all of the compensation to which they are entitled. Because they are exempt, such employees are not entitled to additional compensation for extra hours of work.

The employee's required signature on the time sheet verifies the accuracy of the reported time, including that all meal breaks and rest breaks have been taken as required. All paid leaves taken must also be accurately entered on the time sheet.

Making entries on another employee's time sheet, allowing another employee to make your time sheet entries, or altering a daily time sheet is not permissible and will be cause for disciplinary action, up to and including termination.

Non-exempt employees will be scheduled a work schedule by their immediate supervisor.

Exempt employees will establish their own work schedule to satisfy their essential duties as shown in their job description and as detailed in these rules. The employee may also submit written comments on the evaluation for placement in the personnel file.

15.04 Disputed Evaluation

When an employee disputes an evaluation, the employee may, within ten (10) days, request a review of the evaluation by the District Manager.

15.05 Employee References

All requests for references must be directed to the District Manager. No other superintendent, supervisor, or employee, is authorized to release references for current or former employees, unless authorized to do so by the District Manager.

The District may disclose the dates of employment, and the title of positions held, essential duties of the position as shown in the job description, and salary range of the position as shown on the salary plan.

Rule 16 – Disciplinary Action

16.01 Notice of Intended Disciplinary Action

All employees shall not be dismissed, demoted, or suspended without pay for a disciplinary action unless the appointing authority serves the employee with a "notice of intended disciplinary action" at least five (5) days before the action is taken, unless it is determined that it is an emergency situation, such as, if such employee continues to work they may endanger the safety of themselves or others. Then such employee will be dismissed immediately.

Prior to service of the notice, the appointing authority shall notify the District Manager of the intended action. The notice shall be served personally while the employee is on duty. If the employee is absent, the notice shall be served by certified mail/return receipt. Service shall be deemed completed ten days after the date of mailing.

The notice shall include:

1. The intended disciplinary action and the date it will be taken;
2. Specific reasons for the action, and a concise factual description of the conduct warranting discipline.
3. Identification of the documents and other evidence on which the action is based, with copies attached.
4. Advisement of the right to a pre-discipline hearing and the right to file a written response.
5. Advisement of the right to representation at the pre-discipline hearing by someone of the

employee's own choosing (e.g., steward, friend, attorney, etc.).

16.02 Pre-discipline Hearing

Within five (5) days from the date of service of the notice of intended disciplinary action, an employee may request a pre-discipline hearing and/or may file a written response to the notice.

The appointing authority shall schedule a hearing within five (5) days, unless mutually waived by both parties. The hearing shall be closed. The appointing authority shall conduct the hearing. The employee may be assisted by a representative, and may call witnesses. All participants on duty shall be allowed time off with pay to attend.

Within five (5) days from the conclusion of the hearing, the appointing authority shall serve the employee with a written notice of disciplinary action imposed, if any, and the grounds and evidence on which it is based. If discipline is imposed, the employee shall be notified of the right to appeal pursuant to these rules. An appeal shall not stay imposition of the discipline.

16.03 Paid Suspension Leave

An appointing authority may suspend, with pay, an employee pending initiation and/or imposition of the disciplinary action and/or conclusion of any appeal. Suspension, with pay, shall be deemed paid suspension leave with no punitive consequence, and therefore, it shall not be subject to appeal.

16.04 Causes for Disciplinary Action

An employee may be disciplined for any good cause including, but not limited to, the following:

1. Absence without leave, or abuse of authorized leave.
2. Incompetence, neglect of duty, or inefficiency.
3. Insubordination or violation of any lawful or reasonable order given by a supervisor.

4. Working under the influence or in the possession of alcohol or illegal drugs.
5. Intentional, material misrepresentation or concealment of any fact in connection with obtaining employment.
6. Misappropriation of District funds or property.
7. Dishonesty or theft.
8. Conviction of any criminal act involving moral turpitude.
9. Any violation of these Rules.

16.05 Counseling Memo/Notice of Employee Reprimand

When informal discussion on corrective action or counseling memo are ineffective in altering the unsatisfactory conduct or performance of any employee, the appointing authority shall deliver a formal written reprimand to the employee. The reprimand shall describe the problem, make reference to relevant Rule(s), policies and laws, demand correction of the problem, and indicate that more serious disciplinary action shall be imposed if the problem persists.

When informal discussion on corrective action is ineffective and a written reprimand is too harsh for disciplinary action, a written counseling memo may be used. The counseling memo should address the subject, detail the incident, and state the desired performance.

A copy of the counseling memo or reprimand shall be filed in the personnel record of the employee, and the employee may file a written response.

Rule 17 – Grievance Procedure

17.01 Grievance Matters

A grievance may be submitted by an employee of the Paradise Recreation and Park District

over the interpretation or application of the District employment rules and regulations, administrative rules, policies and practices including written reprimands or other written actions admonishing the employee which are filed by a District Manager.

Excluded from this procedure are issues dealing with formal actions of the District Board of Directors regarding the District budget or the merits of District operational or organization plans, and any actions mandated upon the District as a result of Federal, State or County Law or a District-wide election process.

17.02 Grievance Rights

An employee may appeal a matter concerning alleged acts of discrimination, or a discharge or other disciplinary actions which result in the employee's loss of pay, grade or seniority.

17.03 Time Limits

The time limits set forth in this process refer to calendar days and may be extended only by written mutual agreement. Failure by the employee to submit the grievance within the prescribed time limits shall terminate the procedure and the grievance shall be considered resolved.

An employee may be represented by a person of their choice only in the formal steps of this grievance procedure.

17.04 Good Faith Clarification Process

The District supports and encourages an open participation between the employee and Their immediate supervisor or the District Manager to clarify issues through an interactive process.

Oral Interview:

Employee shall contact their immediate supervisor as soon as possible to schedule a

meeting to directly discuss the issue(s) that the employee seeks clarification about. The supervisor shall schedule a meeting with the employee within five (5) days of this notice, or at the earliest convenience. The supervisor and employee should seek a clear understanding of this issue.

Written Response:

If the employee still seeks clarification about the issue, the employee shall put their concern in writing and present it to their immediate supervisor within five (5) days of the oral interview. The immediate supervisor will respond to this written presentation within five (5) days of its receipt in writing. A copy of the employee and supervisor written responses will be given to the District Manager and a copy placed in a subject file.

District Manager:

Within five (5) days of receipt of the supervisor's written response, if the employee still seeks clarification about the issue, the employee may request, in writing, a meeting with the District Manager concerning this issue. The District Manager, immediate supervisor, and the employee will meet to discuss this issue. The District Manager will submit a written response to the employee within five (5) days of this meeting. The immediate supervisor will also receive a copy of this letter and a copy will be placed in a subject file. The District Manager will review all written clarification issues and determine if changes need to be made to help improve employer/employee communications and if the topic needs to be communicated to other staff for clarification.

Grievance:

If the employee is not satisfied with the District Manager's response, the employee may continue into the formal step of the grievance process, if applicable.

17.05 Formal Step

If the clarification process does not solve the issue the employee may file a grievance within ten (10) days of the clarification written response, by formally submitting the grievance in writing to the District Manager. The written grievance must clearly state the problem, the proposed solution and a statement that the matter has been presented at the clarification process level and that the matter remains unresolved.

Within fifteen (15) days of receipt of a formal grievance the District Manager and possibly District legal counsel or another individual as deemed necessary by the District Manager shall meet with the employee, and the employee's representative if the employee chooses, to discuss the matter. The District Manager shall submit a written response to the employee within fifteen (15) days of the formal grievance meeting. A copy of the response shall be placed in the employee's personnel file.

17.06 Final Step

If an act of discrimination or disciplinary action is appealed, or if a formal grievance remains unresolved, the employee may, within ten (10) days of receipt of the formal written grievance response, occurrence of an act of discrimination or effective date of the disciplinary action, submit the matter in writing to the District Board of Directors Chairperson.

When a matter is submitted to the Board Chairperson, a closed hearing on the appeal will be held within thirty (30) days at a time and place acceptable to the Board of Directors. The employee and the District Manager will be notified in writing of the time and place of the hearing.

Either party may call witnesses and present facts. Employee witness, if on duty, may be released without loss of pay to testify. However, no employee may be allowed call-back pay,

stand-by pay, overtime or expenses for serving as a witness.

The Board of Directors' hearing procedures shall be confidential and conducted in Closed Session compliant with the Ralph M. Brown Act, under Government Code Section 54957. The Board of Directors may require the appealing employee to testify and be cross examined. The decision of the Board shall be based solely on the facts presented by the respective parties in the presence of each other.

In the case of matters dealing with alleged discrimination, discharge or disciplinary actions the Board of Directors shall have the power to order reinstatement with or without back pay to mitigate the penalty as equity suggest under the facts.

The decision of the Board of Directors shall be filed within thirty (30) days of the close of the hearing and shall be final and binding subject only to judicial review.

A statute of limitations exists on disciplinary appeals in which said appeal shall be filed no later than the 90th day following the date on which the disciplinary decision becomes final.

A copy of the decision shall be forwarded to the employee, District Manager, District Board of Directors, and one copy placed in the employee's personnel file.

The cost of any related hearing room or recording cost shall be shared equally by the District and the grieving employee. All other cost shall be paid by the party incurring such cost.

Rule 18 – Health and Safety

18.01 Health and Safety

All employees are responsible for their own safety, as well as that of others in the workplace. To help us maintain a safe workplace, everyone must be safety-conscious at all times. All employees are required to report all work-related injuries or illnesses immediately to

their supervisor.

18.02 Injury and Illness Prevention Program

The District will provide an Injury and Illness Prevention Program to help employees maintain a healthy and safe environment to work in. This Program will provide communication procedures, identification, and evaluation of workplace hazards, procedures for correction of unsafe conditions, accident investigations, employee training, and record keeping.

The Board of Directors shall periodically amend the Injury and Illness Prevention Program as needed. The District Manager will be responsible for implementing this Program.

18.03 Smoking

Employees are not allowed to smoke in Paradise Recreation and Park District facilities, vehicles, or while working and not on break. Employees may smoke during their meal and rest period in designated areas only. Town of Paradise smoking ordinance applies.

Rule 19 – Unpaid Leave

19.01 General Leave

A general leave of absence may be granted by the Board of Directors to employees only on authorized terms and conditions and for a period not to exceed one year. Employee must submit a written request for General Leave to the PRPD Board of Directors a minimum of sixty (60) days prior to requested leave date. Employee must have been employed by the District in a full time position for a minimum of two (2) years prior to the request. PRPD Board of Directors are not obligated to grant a general leave but will review each request and make a determination based on District needs. If the leave is granted, the employee may not request another leave for three years from the ending date of that leave. Such leave shall be without compensation or

accrual of benefits or seniority. Accrued vacation paid time off (PTO) must be used prior to the effective date of the general leave. Sick PTO shall not be used for general leave. During any periods of general leave time, employees electing to continue participating in health benefits shall be required to self-pay the necessary premiums in accordance with the terms of the plan. Employee will need to abide by all rules established by the District's Deferred Compensation Plan and CalPERS Retirement Plan and be required to self-pay the necessary premiums during this leave. Reinstatement is not guaranteed but a statement concerning the District's position on reinstatement will accompany any approved general leave.

19.02 Family and Medical Leave Policy

The District provides Family and Medical Leave in accordance with state (California Family Rights Act or CFRA) and federal (Family and Medical Leave Act or FMLA) leave laws.

Reasons for Family and Medical Leave: Employees may take Family and Medical Leave for any of the following reasons: (1) the birth of the employee's child and to care for such child; (2) the placement of a child with the employee for adoption or foster care and to care for the newly-placed child; (3) to care for a spouse, registered domestic partner, child, child of a registered domestic partner, or parent ("covered relation") with a serious health condition; or (4) because of the employee's own serious health condition that renders him/her unable to perform an essential function of his/her position. Leave because of reasons "1" or "2" must be completed within the 12-month period beginning on the date of birth, adoption, or placement. In addition, spouses employed by the District who request leave because of reasons "1" or "2" only may take a combined total of 12 weeks leave during any 12-month period.

Additional Military Related Leave under the Federal FMLA: Employees may request up to 26 weeks of unpaid leave in a single 12 month period, considered "Military Caregiver Leave."

The 12 month period begins on the first day of leave. Leave to care for an injured or ill service member, when combined with other Family and Medical qualifying leave, may not exceed 26 workweeks in a single 12-month period.

This leave entitlement provides an eligible employee time to care for a family member who is a wounded U.S. military personnel (including spouse, son, daughter, parent, or nearest blood relative) who suffered an injury or illness while on active-duty, provided that such injury or illness renders the family member medically unfit to perform duties of the member's office, grade, rank or rating. An employee is entitled to 26 workweeks of leave for each injured or ill service member. An eligible employee may take more than one period of 26 workweeks of leave if the leave is to care for different service members.

An employee requesting a Military Caregiver Leave will be required to complete a Certification for Serious Injury or Illness Military form. The completed form must include certification from a U.S. Department of Defense health care provider. This military leave entitlement extends to FMLA job-protected leave beyond the normal 12 weeks of FMLA leave.

Also, eligible employees may request up to 12 work weeks of FMLA leave, called "Qualifying Exigency Leave" arising out of a spouse, parent, or child's active duty or call to active duty in support of a contingency operation as a member of the reserve components of the Army National Guard of the United States, Army Reserve, Navy Reserve, Marine Corps Reserve, Air National Guard of the United States, Air Force Reserve, Coast Guard Reserve, or a retired member of the Regular Armed Forces or Reserve. An eligible employee may take FMLA leave for any of the following "qualifying exigencies:" (a) short-notice deployment (fewer than seven (7) days' notice), (b) military events and related activities, (c) childcare and school activities, (d) financial and legal arrangements, (e) counseling, (f) rest and recuperation, (g) post-

deployment activities and (h) other additional activities to address events that arise out of the covered military member's active duty or call to active duty.

The District may require a copy of the covered service member's active duty orders or other documentation verifying the covered service member is on active duty and has been called to active duty to support a contingency operation.

Eligibility: To be eligible for Family and Medical Leave, the employee must have at least 12 months of service with the District and must have worked at least 1,250 hours during the 12-month preceding the date the leave is to begin. Additionally, the employee must work at a worksite where the District employs at least 50 part- or full-time employees within 75 miles of the worksite.

Duration: Employees may take up to a maximum of 12 workweeks of Family and Medical Leave within a 12-month period. (Military Caregiver Leave is allowed up to 26 weeks). Family and Medical Leave is calculated based on the "rolling" 12 month period which is measured backward from the date the employee uses any Family and Medical Leave. Each time an employee requests Family and Medical Leave the number of weeks available will be based on the balance of the 12 workweeks that have not been used during the immediately preceding 12 months.

Intermittent Leave: Leave may be taken intermittently (in blocks of time due to a single health condition or on a reduced-time schedule) if the leave is for the serious health condition of the employee or the employee's family member, and if such intermittent leave is medically necessary as determined by the health care provider of the person with the serious health condition and if that need can be best accommodated through an intermittent or reduced leave schedule. The minimum duration that can be used for such leaves is one hour.

While an employee is on an intermittent or reduced leave schedule, the District may temporarily transfer him/her to an available alternative position that accommodates the recurring leave and has equivalent pay and benefits. The District may reduce the salary of an exempt employee on an unpaid leave based on the amount of time actually worked if there is a medical need to accommodate a reduced leave schedule.

Any leave taken for the birth, adoption, or foster placement of a child must be taken within one year of the birth or placement of the child with the employee. Leave for this purpose may be taken in minimum increments of two weeks. However, the District will grant a request for a leave of less than two (2) weeks' duration for this reason on any two (2) occasions.

Paid and unpaid leave granted under any of the reasons provided by state and federal law will be counted as family/medical leave and will be considered as part of the 12 workweek entitlement in a 12-month period.

Procedure: Employees requesting leave must contact their manager as soon as they become aware of the need for Family and Medical leave. A written request for FMLA, CFRA, and Pregnancy Disability Leave (PDL) must be completed by the employee on a FMLA Request form. The District will give the employee a written flyer on – Employee Rights and Responsibilities under the FMLA. Once the leave is determined as covered by FMLA, the employee will be notified of whether the leave of absence is approved within five business days.

If the leave is for the birth, adoption, or foster placement of a child, or for planned medical treatment for a serious condition of the employee or family member, the employee must provide at least 30 days' advance notice before the leave is to begin. If 30 days' notice is not possible, notice must be given as soon as practicable. Additionally, if the employee is planning a medical treatment, he/she must advise his/her manager first regarding the dates of such

treatment.

The District will require that the employee provide certification as explained below within 15 calendar days, after the employee is notified that his/her leave may qualify as Family and Medical leave, if practicable. If 30 days' notice is provided by the employee, then the employee should provide the medical certification before the leave begins.

If the leave is needed for the employee's own serious health condition, the employee must provide a certification from the health care provider stating:

1. the date of commencement of the serious health condition;
2. the probable duration of the condition;
3. that the employee is unable to work at all or is unable to perform any one of the essential functions of his/her position because of the employee's serious health condition.

A serious health condition involves more than three (3) consecutive, full calendar days of incapacity with a first visit to the health care provider within seven days of the first day of incapacity. Medical treatment on two (2) or more occasions must be within 30 days of the first day of incapacity unless extenuating circumstances exist. Additional treatment needed is determined by the health care provider. The full definition of a "serious health condition" is noted at the end of this policy.

If an employee fails to provide medical certification in a timely manner, the District may delay the start of the FMLA leave. If the medical certification is incomplete or insufficient, the District will specify in writing the information that is lacking and give the employee seven (7) calendar days to provide the additional information.

The District will require an Employee Medical Certification form by the employee's

health care provider that the employee is fit to return to his/her job.

If the leave is needed to care for the serious health condition of a family member, the employee must provide certification from the health care provider stating:

1. the date of commencement of the serious health condition;
2. the probable duration of the condition;
3. an estimate of the amount of time that the health care provider believes the employee needs to take in order to care for the child, parent, or spouse; and
4. confirmation that the serious health condition warrants the participation of the employee.

Medical Opinion: If the Family and Medical Leave request is for the employee's own serious health condition, the District may require, at its expense, a second opinion from a health care provider designated by the District. The health care provider designated by the District will not be one who is employed on a regular basis by the District. If the second opinion differs from the first opinion, the District may require, at its expense, that the employee obtain a third opinion by a health care provider approved jointly by the District and the employee. The third opinion shall be considered final and binding on the District and the employee.

Recertification may be required if the employee requests an extension beyond the original certification. Recertification can also be requested every six (6) months at the discretion of management.

California based employees who are disabled due to pregnancy will be eligible for up to 88 work days while considered disabled due to pregnancy, which are additional benefits under the Pregnancy Disability Leave Law. In California, time off from work because of the employee's disability due to pregnancy, childbirth, or related medical condition is also counted

as times used for FMLA leave, where applicable. (See the Pregnancy Disability Leave policy for more information.)

Compensation is not paid: Family and Medical Leave is unpaid although the employee may be eligible for short- or long-term disability payments and/or workers' compensation benefits under those insurance plans. Those plans are described elsewhere in this Personnel Rules Manual. Eligible employees may use accrued paid time, including administrative time, personal days, vacation and sick time, for unpaid Family and Medical Leave. During periods that employees are not receiving any wage-replacement benefits through programs such as workers' compensation or disability insurance, the District may require the employee to use accrued paid time, including administrative time, personal days, vacation and sick time.

The substitution of paid leave for unpaid leave does not extend the maximum 12-week leave period. Further, in no case may the substitution of paid leave for unpaid leave result in the employee receiving more than 100% of his/her salary. If the employee is not eligible to substitute paid leave, he/she may still be eligible for unpaid Family and Medical Leave.

Employees on leave will not continue to accrue vacation or sick leave.

Reporting While on Leave: Employees who take leave because of their own serious condition or to care for a covered family relation, must contact the District as directed regarding the status of the condition and their intention to return to work. In addition, employees must give reasonable notice if the dates of leave change or are extended or initially were unknown.

Medical and Other Benefits: For the first 12 weeks of an approved Family and Medical Leave, the District will maintain the employee's health benefits as if he/she continued to be actively employed. If the employee takes a leave for disability caused by pregnancy, childbirth, or a related medical condition and follows that leave with "bonding" leave (covered by CFRA)

to care for the newborn child, the leave may exceed 12 weeks, but the District will only pay for medical benefits for the first 12 weeks the employee is on leave. If paid leave is substituted for unpaid Family and Medical Leave, the District will deduct the employee's portion of the health plan premium as a regular payroll deduction. If the leave is unpaid, the employee must pay his/her portion of the premium as directed by the District. The employee's health care coverage will cease if the employee's premium payment is more than 30 days late. If the employee's payment is more than 30 days late, the District will send the employee a letter to this effect. If the District does not receive the employee's co-payment within 15 days of that letter, the coverage may cease. If the employee elects not to return to work for at least 30 calendar days at the end of the leave period, he/she may be required to reimburse the District for the cost of the health care benefit premiums paid by the District for maintaining coverage during the unpaid leave, unless the employee cannot return to work because of a serious health condition or other circumstances beyond his/her control.

Reinstatement: Upon return from a Family and Medical Leave with an acceptable fitness for duty evaluation, an employee will be reinstated to his/her original position or to an equivalent position with equivalent pay, benefits, and other employment terms and conditions. However, an employee has no greater right to reinstatement than if the employee had been continuously employed rather than on leave. For example, if an employee on Family and Medical Leave would have been laid off had he/she not gone on leave, or if the employee's position has been eliminated during the leave, then the employee would not be entitled to reinstatement. An employee's use of family and Medical Leave will not result in the loss of any employment benefits that the employee earned or was entitled to before the leave.

Employees (or their designee if they are not able) are expected to provide regular reports

of their status and intent to return to work while on FMLA leave. Employees are expected to return to work on the date agreed to on the Family/Medical Leave Request form.

Reinstatement may be denied to certain salaried “key” employees. Such employees will be notified of this possibility at the time the leave is requested.

An employee on FMLA leave may not accept employment with any other employer without the District’s written permission. If an employee takes another job while on FMLA leave or any other authorized leave of absence, it may be considered a voluntary resignation of employment.

If an employee fails to report to work promptly at the end of the leave, the District will assume that the employee has resigned.

Extended Leave for Serious Health Condition: Leave taken because of the employee’s own serious health condition may be extended upon: (1) written request to the District; (2) proof that the serious health condition has continued; and (3) approval by the District. If the employee does not return to work on the originally scheduled return date or requests in advance an extension of the agreed upon leave with appropriate documentation, the employee may be deemed to have voluntarily resigned employment with the District. If the employee requests an extension of the leave beyond the 12-week entitlement, he/she may be required to submit additional documentation explaining or justifying the need for additional leave. Reinstatement is not guaranteed on an extended leave and will depend on District needs. Additionally, the employee will not be eligible for continued health care benefits during the leave. The employee may, however, be eligible to continue health care coverage through COBRA.

Further definition of a “serious health condition” means an illness, injury, impairment, or physical or mental condition that involves one of the following:

1. Hospital Care

Inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical care facility, including any period of incapacity or subsequent treatment in connection with or consequent to such inpatient care.

2. Absence Plus Treatment

a. A period of incapacity of more than three consecutive calendar days (including any subsequent treatment or period of incapacity relating to the same condition), that also involves.

- 1) Treatment (two or more times by a health care provider, by a nurse, or physician's assistant under direct supervision of a health care provider, or by a provider of health care services (e.g., physical therapist) under orders of, or on referral by, a health care provider), or
- 2) Treatment by a health care provider on at least one occasion which results in the regimen of continuing treatment under the supervision of the health care provider.

3. Pregnancy

Only under FMLA, any period of incapacity due to pregnancy, or for prenatal care.

4. Chronic Conditions Requiring Treatment

A chronic condition which:

- a. Requires periodic visits for treatment by a health care provider, or by a nurse or physician's assistant under direct supervision of a health care provider;
- b. Continues over an extended period of time (including recurring episodes of a single underlying condition); and

c. May cause episodic rather than a continuing period of incapacity (e.g., asthma, diabetes, epilepsy, etc.).

5. Permanent / Long Term Conditions Requiring Supervision.

A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective. The employee or family member must be under the continuing supervision of, but need not be receiving active treatment by, a health care provider. Examples include Alzheimer's, a severe stroke, or the terminal stages of a disease.

6. Multiple Treatments (Non-Chronic Conditions)

Any period of absence to receive multiple treatments (including any period of recovery there from) by a health care provider or by a provider of health care services under orders of, or on referral by, a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), or kidney disease (dialysis).

19.03 Pregnancy Disability Leave (PDL)

The District provides unpaid pregnancy disability leave (PDL) to any employee who is temporarily unable to work due to a disability related to pregnancy, childbirth or related medical conditions.

Employees who are affected by pregnancy or a related medical condition are also eligible to transfer to a less strenuous or hazardous position or to less strenuous or hazardous duties, if such a transfer is medically advisable and can be reasonably accommodated. Where transfers are

made based on the employee's health needs, the employee will receive the pay that accompanies the alternative position.

Procedures for Requesting Leave: Employees should make requests for PDL to a manager at least 30 days in advance of foreseeable events and as soon as possible for unforeseeable events.

A health care provider's statement must be submitted verifying the need for PDL and stating:

1. The date on which the employee became disabled due to pregnancy, childbirth, or related medical condition, or the date on which the need for a transfer became medically advisable;
2. The probable duration of the period or periods of disability or the need for transfer; and
3. A statement that, due to the disability, the employee is unable to perform one or more of the essential functions of her position without undue risk to herself, the successful completion of her pregnancy, or to other persons, or that the transfer is medically advisable.

Recertification may be required if the employee requests an extension beyond the original certification.

Any changes in this information contained in the health care provider's statement should be promptly reported to a manager.

Length of Leave: Full-time employees are normally granted unpaid leave for the period of the disability, up to a maximum of four months (88 working days). Part-time employees are granted unpaid leave on a pro-rata basis.

PDL does not need to be taken in one continuous period of time but can be taken on an as-needed basis. In other words, leave may be taken intermittently or on a reduced work schedule when determined medically advisable by the employee's health care provider. The smallest increment of time that can be used for such leave is one hour. The District may transfer the employee to an alternative position or alter the existing job to accommodate intermittent leave or a reduced work schedule. The employee will receive the same pay and benefits in the alternative position.

Compensation During Leave: PDL is unpaid by the District. However, an employee may use accrued sick, vacation/administrative leave during PDL. During periods the employee is not receiving any wage replacement benefits through programs such as state disability insurance, the District may require the employee to use accrued sick leave. Substituted paid leave time will be counted toward the four-month entitlement.

Leave Concurrent with Family and Medical Leave: If the employee is eligible for leave under the federal Family and Medical Leave Act, the PDL will also be designated as time off under the FMLA. Please see the Family and Medical Leave policy for time off and benefits coverage during these leave periods.

Benefits During Unpaid Leave: Employees on PDL will accrue further vacation or sick leave and will not be paid for holidays during any portion of the leave that is unpaid. The District will continue to pay its portion of medical premium payments until the end of the first month of PDL unless the employee is also covered by the FMLA. After medical coverage ceases, the employee may self-pay full medical premiums under the provisions of COBRA.

Return to Work: So that an employee's return to work can be properly scheduled, an employee on PDL is requested to provide her supervisor with at least two weeks' advance notice

of the date she intends to return to work.

When PDL ends, an employee will be reinstated to her original position or to a comparable position with equivalent pay, benefits, and other employment terms and conditions. However, an employee has no greater right to reinstatement than if the employee had been continuously employed rather than on leave. For example, if an employee on PDL would have been laid off had she not gone on leave, or if the employee's position has been eliminated during the leave and there is no comparable position available, then the employee would not be entitled to reinstatement. An employee's use of PDL will not result in the loss of any employment benefit that the employee earned or was entitled to before the leave.

Employees returning from PDL must submit a health care provider's verification of their fitness to return to work.

If the PDL expires and the employee fails to return to work or request an extension of the leave without contacting her manager, the District will assume that she does not plan to return and that she has ended her employment.

19.04 Activities Leave

If an employee who is the parent or guardian of a child facing suspension from school is summoned to the school to discuss the matter, the employee should alert his or her manager as soon as possible before leaving work.

Employees are encouraged to participate in the school activities of their child(ren). The absence is subject to all of the following conditions:

- Parents, guardians, or grandparents having custody of one or more children in kindergarten or grades one to twelve may take time off for a school activity;
- The time off for school activity participation cannot exceed eight hours on any calendar

Employees who wish to serve in the military and take military leave are asked to coordinate leave with the needs of the District whenever possible with as much advance notice as possible. Please contact the District Manager for information about rights before and after such leave. You are entitled to reinstatement upon completion of military service provided you return or apply for reinstatement within the time allowed by law.

22.02 Acceptance of Gratuities

No employee shall accept any fee, compensation, gift, payment of expense, or any other thing of monetary value in circumstances resulting in:

1. The use of public office for private gain;
2. The preferential treatment of any person, impeding governmental efficiency or economy;
3. The making of a District decision outside of official channels;
4. Any adverse effect on the confidence of the public in the integrity of the District.

22.03 Drug and Alcohol Abuse

We are concerned about the use or abuse of alcohol, illegal drugs, or controlled substances as it can affect the workplace. Use of these substances, whether on or off the job can detract from an employee's work performance, efficiency, safety, and health, and therefore impair the employee and his/her ability to competently perform his/her job. In addition, the use or possession of these substances on the job constitutes a potential danger to the welfare and safety of the employee in possession and other employees, and it also exposes the District to the risks of property loss or damage, or injury to other persons.

Furthermore, the use of prescription drugs and/or over-the-counter drugs also may affect an employee's job performance and may impair the employee's ability to competently perform

his/her job. The District is not required to accommodate the medical use of marijuana at places of employment or during working hours.

The following rules and standards of conduct apply to all employees either on District property or during the workday (including meals and rest periods). Behavior that violates District policy includes:

- Possession or use of alcohol or an illegal or controlled substance, or being under the influence of alcohol, or an illegal or controlled substance while on the job;
- Driving while under the influence of alcohol or an illegal or controlled substance; and
- Distribution, sale, or purchase of alcohol or an illegal or controlled substance while on the job.

Violation of these rules and standards of conduct will not be tolerated. The District also may bring the matter to the attention of appropriate law enforcement authorities.

Employees are prohibited from reporting for duty or remaining on duty with any alcohol in their systems. Employees are also prohibited from consuming alcohol during working hours, including meal and break periods. This does not include the authorized use of alcohol at District-sponsored functions or activities.

In order to enforce this policy, the District reserves the right to conduct searches of District property or employees to implement other measures necessary to deter and detect abuse of this policy. Entry onto District property is deemed consent to an inspection of person, and District vehicle.

An employee's conviction on a charge of illegal sale or possession of any controlled substance while off District property will not be tolerated because such conduct, even though off duty, reflects adversely on the District. In addition, the District must keep people who sell or

possess controlled substances off District premises in order to keep the controlled substances themselves off the premises.

Any employee who is using prescription or over-the-counter drugs that may impair the employee's ability to safely perform the job, or affect the safety or well being of others, must notify a manager of such use immediately before starting or resuming work.

Reasonable Suspicion Testing: In cases where an employee's supervisor or other member of management has reasonable suspicion to believe that the employee possesses or is under the influence of drugs and/or alcohol and such use or influence may adversely affect the employee's job performance or the safety of the employee, co-workers, or customers of the District, the employee's supervisor or a member of management should bring his or her reasonable suspicions to the attention of the District Manager or a person designated by the District Manager. At the District Manager's discretion drug and/or alcohol screening may be ordered. The suspicion will be based on objective symptoms such as factors related to the employee's appearance, behavior, and/or speech. Refusal to submit to screening as ordered may result in immediate termination.

We encourage and will reasonably accommodate employees with alcohol or drug dependencies to seek treatment and/or rehabilitation. Employees desiring such assistance should request a treatment or rehabilitation leave. The District is not obligated, however, to continue to employ any person whose performance of essential job duties is impaired because of drug or alcohol use, nor is the District obligated to re-employ any person who has participated in treatment and/or rehabilitation if that person's job performance remains impaired as a result of dependency. Additionally, employees who are given the opportunity to seek treatment and/or rehabilitation, but fail to successfully overcome their dependency or problem, will not

automatically be given a second opportunity to seek treatment and/or rehabilitation. This policy on treatment and rehabilitation is not intended to affect the District's treatment of employees who violate the regulations described previously or to alter the at-will status of employment. Rather, rehabilitation is an option for an employee who acknowledges a chemical dependency and voluntarily seeks treatment to end that dependency.

22.04 Conflict of Interest

Employees have an obligation to conduct business within guidelines that prohibit actual or potential conflicts of interest. This policy only establishes the framework within which the District wishes to operate. The purpose of these guidelines is to provide general direction so that employees can seek further clarification on issues related to the subject of acceptable standards of operation. Contact a Manager for more information or with questions about conflicts of interest.

A "conflict of interest" generally means a situation where the District's interests and an employee's interest are actually or potentially at odds. We rely on the integrity and good judgment of all employees and trust them to observe ethical, professional and legal codes of good business practices in the conduct of District affairs. Employees must take care to avoid not only actual impropriety, but also the appearance of impropriety. Situations of actual or potential conflict of interest are to be avoided by all employees.

Personal gain may result not only in cases where an employee, or his/her relative, has a significant ownership in an entity with which the District does business, but also when an employee or relative receives any kickback, bribe, substantial gift, present, or special consideration as a result of any transaction or business dealings involving the District. An actual or potential conflict of interest occurs when an employee is in a position to influence a decision

that may result in a personal gain for that employee or for a relative as a result of the District's business dealings.

For the purpose of this policy, a relative is any person who is related by blood or marriage, or whose relationship with the employee is similar to that of persons who are related by blood or marriage. No "presumption of guilt" is created by the mere existence of a relationship with outside companies. However, if you have any influence on transactions involving purchases, contracts, or leases involving the District, it is imperative that you disclose to your manager as soon as possible the existence of any actual or potential conflict of interest so that safeguards can be established to protect all parties.

Each year PRPD Board Members, District Manager, Park and Recreation Superintendents, and consultants must complete a Statement of Economic Interest.

22.05 Use of District Property

Employees are prohibited from using District property directly or indirectly for any purposes unrelated to District business or in any manner deviating from the manner authorized by the District.

22.06 Political Activities

No employee shall engage in political activity during working hours or on District premises unless the Board of Directors has specifically opened those premises for political activity to the public.

22.07 Anti-Harassment and Discrimination Policies

All employees, applicants, and independent contractors ("workers") working with the District are to be treated with respect and dignity. The District is committed to providing an atmosphere free of harassment and discrimination based on such factors as race, color, sex,

gender identity, religion, marital status, registered domestic partner status, age, national origin or ancestry, physical or mental disability, medical condition including genetic characteristics or information, sexual orientation, veteran status, or any other characteristic made unlawful by applicable federal, state, or local laws,. Harassment and discrimination are against the law. The District strongly disapproves of and will not tolerate harassment or discrimination of its workers by managers, supervisors, co-workers, independent contractors or members of the public. Similarly, the District will not tolerate harassment or discrimination by its workers against others with whom the District has a business, service, or professional relationship. Because it is difficult to determine whether the conduct is unlawful, the District prohibits all inappropriate and/or disrespectful conduct based on the characteristics identified above, even if such conduct does not violate the law.

Some examples of conduct that may violate this policy includes verbal, physical and visual contact that creates an intimidating, offensive, or hostile working environment or that interferes with work performance. Some examples of conduct potentially violating this policy include racial or sexist slurs, ethnic or sexist jokes, posting of offensive statements, posters or cartoons, and unwanted touching or blocking of normal movement.

Sexual harassment under this policy includes the making of any unwelcome advances and/or visual, verbal, or physical conduct of a sexual nature, as well as offering employment benefits in exchange for sexual favors or threatening reprisals after a negative response to a sexual advance.

The definition of sexual harassment includes many forms of offensive behavior and includes gender-based harassment of a person of the same sex as the harasser. Some examples of behavior that may violate this policy include: requests for sexual favors, demeaning sexual

remarks, leering, making sexual gestures, displaying of sexually suggestive objects or pictures, making or using derogatory comments, epithets, slurs, or jokes, comments about an individual's body, touching, impeding or blocking movements, or any other conduct based upon an individual's sex that creates an atmosphere or environment that interferes with that individual's job performance or is intimidating, hostile, or offensive to that individual.

All District supervisory employees (District Manager, Superintendents, and Supervisors) must complete a minimum of two (2) hours of Harassment Training every two years as required by California state law.

22.08 Harassment Complaint Procedure

1. When possible, confront the harasser and persuade him/her to stop.
2. Provide a written complaint to your own supervisor or to any other District supervisor or the Manager of the District as soon as possible after the incident. Include details on the incident(s), names of individuals involved, and the names of any witnesses.
3. Supervisors will refer all harassment complaints to the Manager. The District will immediately undertake an effective, thorough, and objective investigation of the harassment allegations.
4. If the District determines that unlawful harassment has occurred, it will take effective remedial action in accordance with the circumstances. Any employee the District determines to be responsible for unlawful harassment will be subject to appropriate disciplinary action, up to and including termination.
5. Whatever action the District takes against the harasser will be made known to the employee lodging the complaint. The District will take appropriate action to

remedy any loss to you resulting from harassment.

6. The District will not retaliate against you for filing a good faith complaint and will not tolerate or permit retaliation by management, employees, or co-workers.

22.09 Technology Usage

The District's Technology Resources, including all computer, data, and telecommunication hardware and software are critical to its business success. The purpose of this policy is to explain how employees of the District should use the District's Technology Resources in ways that maximize the benefits of the technology to the District and reduce the risk of loss or misuse of these resources and/or creation of liability for the District. The District's Technology Resources include, but may not be limited to:

- Telephone, cellular phones, and voicemail.
- Internal computer systems including desktop and notebook computers, file servers, Intranet, and e-mail.
- External computer systems, including research databases, Internet, and e-mail.

Using Technology Resources:

All Technology Resources should be used only in furthering the District's business and never in violation of applicable laws. To this end, employees should not use any Technology Resource for the conduct of business other than the District's business. Notwithstanding the above, employees may use the District's Technology Resources to:

- Prepare and store incidental personal data (such as personal calendars, personal address lists, and similar incidental personal data) in a reasonable manner provided such use does not conflict with any purpose or need of the District;
- Send and receive necessary personal communications through e-mail;

- Use the telephone system for brief and necessary personal calls.

The District assumes no liability for loss, damage, destruction, alteration, disclosure, or misuse of any personal data or communications transmitted over or stored on the District's Technology Resources. The District further accepts no responsibility or liability for the loss or non-delivery of any personal e-mail communication and suggests that employees avoid storing private or confidential personal information on any of the District's Technology Resources.

No Right of Privacy:

The District in general has no desire to invade the personal privacy of employees when there is no business need. However, the District provides the Technology Resources to further its own business aims. Thus, employees should not expect and do not have any privacy rights when using the District's Technology Resources. The granting of a password does not confer right of privacy upon any employee of the District and all Technology Resources, including all information, documents and messages stored therein, should be related to the business of the District.

The District may inspect all files or messages on its Technology Resources at any time for any reason at its discretion. The District reserves the right to randomly and periodically monitor its Technology Resources at any time in order to determine compliance with its policies, answer a lawful subpoena or court order, investigate misconduct, locate information, or for any other business purpose. Further, the District reserves the right to monitor its Technology Resources at any time based on a reasonable suspicion of wrongdoing or in order to determine compliance with its policies, answer a lawful subpoena or court order, investigate misconduct, locate information, or for any other business purpose. Further, any information generated on or with the District's Technology Resources is subject to collection, storage, and disclosure in

accordance with the District's Document Retention and Destruction Policy.

Internet and E-Mail Use:

Access to the Internet is provided to employees to accomplish job responsibilities more effectively. The use of the Internet is a privilege, not a right, which may be revoked at any time for inappropriate conduct. The District expects that its employees will use these resources in a responsible fashion and for business-related purposes only. Employees should not use the Internet or Intranet for frivolous use such as accessing, downloading from, or contributing to any site that is not work related.

Downloading of software applications, even if they are free, is not allowed.

The District reserves the right to monitor the amount of time spent using online services and the sites visited by District personnel. The District reserves the right to limit Internet access to include or exclude certain Internet sites and/or services.

E-mail is not private communication, because others may be able to read or access the message, E-mail messages are considered business records and may be subject to discovery.

Personal websites, social media sites, and web logs (blogs) have become prevalent methods of self-expression in our culture. Employees may not use District computers to engage in blogging. The District respects the right of employees to use these mediums during their personal time on their personal computers. If an employee chooses to identify himself or herself as a District employee on a website or web log, he or she must adhere to the following guidelines:

- Make it clear to readers that the views you are expressing are your views alone and do not reflect on the views of the District.
- Do not disclose any information that is confidential or proprietary to the District (or to

any third party which has disclosed its information to the District). Consult the District's confidentiality policy for guidance about what constitutes confidential information.

- Uphold the District's value of respect for the individual and do not make any disparaging or defamatory statements about the District employees, clients, partners, affiliates and others, including competitors.
- Be careful not to let blogging interfere with the employee's job or client commitments.

22.10 Punctuality and Attendance

Employees are to report to work as scheduled, on time, and prepared to start work. Employees also are to remain at work for their entire work schedule, except for meal periods or when required to leave on authorized District business.

If employee is unable to report for work on any particular day, they must call their supervisor at least one hour before the time they are scheduled to begin working for that day. If they call less than one hour before scheduled time to begin work, they will be considered tardy for that day. If an employee is unable to continue work they must notify their supervisor or other administrative personnel immediately.

Excessive absenteeism (excused or not) may be grounds for discipline up to and including termination of employment. Each situation of excessive absenteeism or tardiness shall be evaluated on a case-by-case basis. However, even one unexcused absence may be considered excessive, depending on the circumstances.

If an employee fails to report for work without any notification to supervisor and absence continues for a period of three days, the District will consider that the employee has abandoned their employment and may terminate employment.

22.11 Appearance and Dress Standards

Employees are expected to wear clothing appropriate for the nature of the District's business and the type of work performed. Clothing should be neat, clean and tasteful. Avoid clothing that may create a safety hazard. Without unduly restricting individual tastes, the following personal appearance guidelines should be followed:

- Shoes must provide safe, secure footing, and offer protection against hazards.
- Tank tops, tube or halter tops may not be worn under any circumstances.
- The length of shorts and skirts must reach at least a minimum of mid-thigh.
- Mustaches and beards must be clean, well trimmed, and neat.
- Hairstyles are expected to be in good taste.
- Long hairstyles should be worn with hair pulled back off the face and neck to avoid interfering with job performance.
- Offensive body odor and poor personal hygiene is not professionally acceptable.
- Jewelry should not be functionally restrictive, dangerous to job performance, or excessive.

Accessories that are not issued (pins, scarves, etc.) are not allowed to be worn with the uniform. Remember that you represent the District while in uniform.

22.12 Vehicle Use

Some positions in the Paradise Recreation and Park District require the ability to drive a motor vehicle. All employees whose job responsibilities require the ability to drive a motor vehicle shall, throughout the duration of their employment with the District, maintain a valid driver's license, appropriate to the kind of vehicle they are required to drive, and show proof of this license. All employees whose job responsibilities require the ability to drive a motor vehicle shall, throughout the duration of their employment with the District, maintain an acceptable driving record. An acceptable driving record shall be defined as a driving record with five (5) or fewer points assigned by the Department of Motor Vehicles. The District will keep a current "Driving Record Information Profile" provided by the Department of Motor Vehicles on employees whose job responsibilities require them to drive a motor vehicle.

Any employee who does not maintain both a valid, appropriate driver's license and an acceptable driving record may be subject to disciplinary action up to and including suspension, demotion, transfer, or termination. It is the employee's responsibility to inform the District if their Driver's License is revoked or suspended. All employees who drive a vehicle for District business will be required to take a defensive driving class at least every three years.

Employees who might use their own vehicle for District business will be required to

provide proof that the vehicle and operator are covered under a current automobile liability insurance policy. The insurance policy must meet the minimum requirements as specified in the California State Financial Responsibility Law.

22.13 Telephone and Cell Phone Use

Personal telephone calls should be brief and kept to a minimum. Long distance calls should be billed to the employee's home telephone number (i.e., employee should use a personal calling card or personal cell phone).

If your job requires that you keep your cell phone turned on while you are driving, you must use a hands-free device and safely pull off the road before answering the phone and conducting District business. Under no circumstances should employees place or answer phone calls, e-mails, or text messages at any time while operating a motor vehicle, while driving on District business, and/or on District time.

22.14 Solicitation and Distribution of Literature

The District does not allow solicitations of literature for private businesses, political activities, or other organizations that does not coincide with the District's goals and objectives. The District Manager is responsible for managing this issue.

22.15 Prohibited Conduct and Disciplinary Action

Nothing in this policy limits or alters the at-will employment relationship. Thus, the District may, in its sole discretion, use whatever form of discipline is deemed appropriate under the circumstances, up to and including termination of employment without prior verbal or written warning.

22.16 Reporting Incident

All employees are responsible for reporting any incident to their supervisor that may have a negative impact to the District or is a violation to these Rules.

22.17 Off Duty Conduct

While the District does not seek to interfere with the off-duty and personal conduct of its employees, certain types of off-duty conduct may interfere with the District's legitimate business interests. For this reason, employees are expected to conduct their personal affairs in a manner that does not adversely affect the District's or their own integrity, reputation, or credibility. Illegal off-duty conduct by an employee that adversely affects the District's legitimate business interests or the employee's ability to perform his or her job will not be tolerated.

22.18 Preventing Violence in the Workplace

The District is committed to providing its employees a safe work environment. The District will not tolerate any violent or threatening behavior by or toward our employees. This policy prohibits actual or threatened violence against any person on District premises, at any District-sponsored event, and/or while engaging in any District-related activity. Safety and security in the workplace is every employee's responsibility. The District relies upon employees' compliance with this policy to achieve our goal of providing a violence-free workplace. Some examples of conduct that violates this policy include:

management. This includes threats by employees, as well as threats by clients, vendors, solicitors, or other members of the public. All suspicious individuals or activities must be reported as soon as possible to a manager. Anyone receiving a report of a violation of this policy must report the matter immediately to a manager.

Rule 23 – Employer-Employee Relations Policy

23.01 Wage and Benefit Negotiations

All full-time and part-time benefited staff (except the District Manager) will be allowed to discuss and request consideration of wages, benefits, hours, and other terms and conditions of employment in the following manner:

1. To notify the Board of Directors that negotiations of wages and benefits is requested. This request should be made in December but no later than the February Board meeting of each year. The request needs to be in writing. If the Board does not receive a notification requesting negotiations by the February Board meeting, negotiations may not be discussed that year. The Board may opt to initiate negotiations.
2. After receiving a notification requesting negotiations, the Board Chairperson will authorize the District Manager to schedule a meeting with the Personnel Committee and the employee representatives. This meeting will be scheduled no later than thirty (30) days after the February Board meeting. At this meeting the employee representatives will present their request. It should contain the following:

- b. The total estimated cost of each request and backup information confirming these figures.

At this meeting, the Personnel Committee may request additional backup material to support or show cause for the request(s). They may also choose to make their recommendation to the Board at the next Board meeting. If the Personnel Committee requires more information concerning items requested, another meeting will be scheduled within thirty (30) days.

3. Additional meetings and materials may be requested as necessary. The Personnel Committee will make their recommendations to the Board of Directors no later than the June Board meeting, unless the Board of Directors authorizes a continuation of negotiations.

23.02 Employee Representation

For wage and benefit negotiations, full-time employees should choose a minimum of three (3) individuals to serve as representatives during the duration of negotiations. It is recommended that an individual from each classification be selected for representation (clerical, recreation, and park). Employees need to agree by majority who their representatives will be.

Employees have the right to seek legal assistance during their negotiations process, but the District will not be responsible for any cost incurred.

Individuals may represent themselves if a situation exists that only represents their position.

23.03 Personnel Committee Recommendations

The Personnel Committee will make their recommendations concerning staff requests when they feel they have received enough information to clarify the issue requested. Their
